If a witness is unable to attend the trial, written interrogatories and cross interrogatories, on notice to the adverse party, may be allowed upon due application to the trial body; or a written deposition of his testimony may be taken in the form of an affidavit, in which latter case such portions of it as are not denied by the adverse party shall be admitted as evidence.

Section 21. Transcript

A written transcript of all testimony adduced at the hearing shall be made, provided, however, that in the event the Local elects to tape record the proceedings, such recording must be fully and accurately transcribed by the Local in typewritten form in the event of an appeal to the International President.

Section 22. Report Findings

The Executive Board shall, after hearing all the evidence, render a written report of its findings as to the guilt or innocence of the accused and if the accused be found guilty, the penalty to be imposed. A copy thereof shall be filed with the Secretary of the Local and a copy shall be served either personally or by certified mail on the accused within five (5) working days. A copy of the transcript of the evidence and proceedings at the hearing shall be available for examination by the accused or his/her member counsel. If so requested by the accused in writing, a copy thereof shall be furnished to the accused at his or her own expense. Immediately upon receipt of the transcript, the Local shall notify the accused in writing of its availability.

Section 23. Action by Membership of a Local Union

At the next membership meeting of the Local, but in no event sooner than twenty (20) days from the date on which the accused has been notified of the availability of the written transcript or recording, the report of the Executive Board or Trial Committee shall be submitted to the membership for appropriate action as hereinafter provided. The transcript of the hearing shall not be read except upon motion duly seconded and carried by a majority vote of the members present or if so requested by the accused or in any case under the circumstances referred to in Section 24 hereof.

Section 24. Acquittal or Conviction

After submission of the report, the accused, if aggrieved by the decision of the Executive Board, shall be afforded an opportunity to speak either in favor of or against such decision. Upon completion of debate, the membership shall proceed to vote upon the findings of the Executive Board as to the guilt or innocence of the accused. If a majority of the members present so vote, the findings of the Executive Board shall be adopted. If the findings are not accepted, the transcript shall be read unless this has been done theretofore, and the question shall be put whether the accused shall be granted a trial by the membership or whether the membership shall proceed to vote upon the guilt of the accused. If a majority of the members present vote for the latter procedure, a vote shall be taken on the guilt of the accused, and if two-thirds (2/3) of the members present shall vote contrary to the findings of the Executive Board, the findings shall stand reversed, otherwise, the findings shall stand upheld.

Section 25. Imposition of Penalties

If the accused is found guilty, the membership shall then proceed to vote upon the decision of the Executive Board as to the penalty to be imposed. If a majority of the members present so vote, the penalty fixed by the Executive Board shall be adopted. If a majority of the members present reject the penalty decided upon by the Executive Board, the membership shall then proceed to vote upon the penalty to be imposed, the members voting to expel, suspend, fine and/or reprimand.

When membership voting on the report of the Executive Board is completed, available remedies within the Local shall be deemed exhausted.

Section 26. Where Trial Was Before Membership

When the accused is tried before the membership as provided in Section 16, the guilt or innocence of the accused shall be determined by majority vote, and the penalty shall be imposed as prescribed in Section 25.

Section 27. Sentence Reported to International President

The President of the Local shall forward a report of the sentence imposed upon an accused member to the International President of the Alliance for filing.

Section 28. Appeals

Appeals may be taken from decisions upon the charges against members of this Alliance in the manner provided by Article Seventeen of the International Constitution and Article Eleven of this Constitution. Members shall exhaust all remedies by appeal within this Alliance and shall be bound by the decisions of its tribunals as to all their rights.

The correctness of the transcript or of the recording and stenographic transcript thereof and the record shall be certified by the Local under the appropriate seal. The Local shall also answer to the appeal, setting forth reasons in support of its decision, and serve a copy of the answer on the appellant by certified mail.

Section 5. Decisions Conclusive

The members of the Local shall submit all their rights within the Local and the Alliance first to the determinations of their proper tribunals.

Section 6. Exhausting Internal Remedies

The members further consent to be disciplined in the manner provided by this Constitution and Bylaws, and under no circumstances to resort to outside tribunals until all the remedies therein provided shall have been exhausted.

In order for an appeal to be cognizable by the International President, all remedies within the local union, including an appeal to the membership, must be exhausted. Appeals within locals from the decision of an officer to the executive board and from the executive board to the membership must be made within thirty (30) days.
